

Fluff

Fluff stands apart for its sobriety and linear simplicity. We upholstered a well-proportioned lightweight frame and made it one with the headboard, forming a single body attached with invisible seams. The mattress seems suspended in air although it rests on a slight yet sturdy structure set on slender metal feet. The edges of the whole bed have been trimmed with a fabric band detail which accentuates the superior textile workmanship of the product.

**Total Height:** 97 cm

**Width:** 181 cm

**Depth:** 236 cm

**foot:** Black matt metal feet p15 (mod. Fluff)
