

# MANSFIELD BEDROOM IN WALNUT

The Mansfield Bedroom represents a striking combination of the familiar and the unconventional. Mitered frames support the cases producing complex facets that create visual interest and highlight the collection's solid construction. The geometry of the nickel bar pulls reflects that of the overall collection and is a fresh take on a traditional form. The bed, available in two heights is designed for a mattress only. It is perfectly complemented by a selection of case pieces.

The Mansfield Bedroom is crafted in solid American black walnut hardwood with natural finish and Made to Order in a variety of knob or pull options. The finish is **GREENGUARD Certified** for low chemical emissions.
